INT.SCHOOL-DAY

Alex and Jessica are inside in the hallway. Jessica approaches Alex.

Jessica
I know what you did

Alex
What are you talking about?

Jessica
You know exactly what I'm talking about, and I've been waiting for this moment for so long

Alex
Wha-

Jessica slaps Alex across the face

Freezeframe

Jessica (VO)
You're probably wondering how we got here. Well it's a pretty complicated story but (pause) let's take it from the top.

EXT. JESSICA'S HOUSE-DAY

Video of pictures of Jessica and Alex when they were younger

Jessica (VO)

Alex and I have been friends for as long as I could remember. Actually for so long, I don't exactly remember how we met. (Pause) But what I know is that from elementary school to high school, we were always by each other's side.

EXT. Dunkin Donuts-DAY

Jessica and Alex are chatting

Jessica (VO)

Keyword "were". Ever since I started dating Lucas things (pause) changed...

Alex

Oh my God, did you see this video on Twitter?

Jessica

Oh yeah I already-

Lucas, Jessica's boyfriend, takes a seat.

Lucas

Hey babe

Lucas kisses Jessica.

Alex looks at Lucas in a flirtatious yet longing way

Freeze Frame

Jessica (VO)

You see this look? That's a look that I ignored at first, but looking back, it (pause)made sense as to why my once "friend" came to stab me in the back.

Scene continues

Alex
Alright guys get a room

Jessica
(Playfully) Shut up (Looks down)

Lucas
You jealous Alex? (winks)

Alex
Oh yeah, SOOO jealous.

Jessica
Hold on guys, I forgot my wallet in the car, I'll be right
back.

(Alex and Lucas are in intense awkward silence)

Boy 1
